

Important Notice Regarding TradeWinds Sign Shop Operations

July 24, 2026

Dear Valued Customers,

After careful review and consideration, TradeWinds Services has made the difficult decision to discontinue Sign Shop operations. As a result, we will no longer be accepting new sign shop orders effective immediately.

Please be assured that all current customer orders that have already been accepted will be completed and closed out appropriately. Our team remains committed to fulfilling these existing commitments with the quality and service you have come to expect.

This decision was not made lightly. Unfortunately, the Sign Shop is no longer financially sustainable for our agency and does not align with our long-term mission and strategic direction. While we regret having to make this change, we believe it is necessary to ensure that TradeWinds remains focused on programs and services that best support our mission.

We are sincerely grateful for the support you have shown our Sign Shop over the years. It has been our privilege to work with so many outstanding customers, businesses, and community partners. We deeply appreciate the trust you have placed in our team and the relationships we have built along the way.

If you require sign services in the future and would like referrals to other providers, please contact our Sign Shop staff. We would be happy to assist you in identifying alternative vendors that may be able to meet your needs.

Thank you again for your support, partnership, and business throughout the years. We wish you continued success and truly appreciate the opportunity to have served you.

Sincerely,
